SUMMARY

Engineer and international affairs specialist focused on Montreal Protocol and Kigali Amendment implementation. Formulated \$11M+ in MLF-approved HPMP/KIP plans across 9 Article 5 countries in Africa and the Middle East, committing 0.9+ Mt CO₂-eq of HFC phase-down.

SKILLS

Chemicals & Waste

Montreal Protocol (HPMP/KIP),
Minamata (MIA/NAP, ASGM),
Plastics, E-waste (WEEE)

Project & Programme

MLF project cycle (ExCom
submissions),
GEF project cycle,
Consumption verification,
Capacity building & training

Institutional & Financial

Multilateral environmental
agreements,
Diplomatic negotiation,
UN budgeting (SAP ERP),
Financial planning & forecasting

WORK EXPERIENCE

Project Specialist · Independent Expert

2017 - Current | [UNIDO](#) · [UNITAR](#) · [UNEP](#) (United Nations) | Paris, France (Vienna prior to 2021)

- Coordinate HCFC/HFC and mercury projects across African Article 5 countries (15 projects, ~\$2.5M) and chemicals/waste programme (BRS, Minamata, plastics, e-waste); manage budget, procurement, reporting
- Formulate HPMP and KIP proposals as expert consultant — 10 country plans approved by the MLF Executive Committee to date: sector surveys, low-GWP and cold-chain technology assessments, strategy design, activity costing, and MLF Secretariat liaison
- Verify ODS/HFC consumption data; develop GEF project concepts on Minamata (ASGM, chlor-alkali); review MIAs/NAPs and global chemicals indicators; deliver training on chemicals/waste and quota/licence systems

Chief Financial Officer (part-time)

2023 - Current | [Orée Transports](#) | Paris, France

- Lead financial planning, budgeting and fundraising for an early-stage low-carbon sail freight startup, including public funding applications (Fonds vert, FIM) and investor engagement
- Develop the business plan (market analysis, revenue projections, growth strategy) and cost pilot shipments for prospective retail clients

Programme and Budget Specialist

2015 - 2016 | [IAEA](#) (United Nations) | Vienna, Austria

- Supported planning and monitoring of the Regular Budget and Technical Cooperation Fund; contributed to budget documentation for the Board of Governors and General Conference
- Delivered SAP financial tools training and forecasting tools for cost-free expert/JPO positions; participated in budget reform and ERP implementation working groups

Science Attaché to the IAEA

2013 - 2015 | [France Mission to the United Nations](#) | Vienna, Austria

- Led France's IAEA negotiations: 2014 financing working group (+€16.6M / +28%, 36 decisions) and 2013/2014 nuclear security resolutions (adopted by consensus)
- Coordinated with EU partners and the French nuclear establishment (CEA, ASN, EDF)

Research Analyst · Business Development Consultant

2011 - 2012 | Eurotradia ([Adit Group](#)) · [Katalyse](#) | Paris · Nantes, France

Power and defence sector intelligence (Eurotradia); market research and feasibility studies for SMEs (Katalyse).

EDUCATION

2011- 2012 | **Master (International Studies)** | [Paris 1 Panthéon-Sorbonne University](#)

2007- 2011 | **Generalist engineer's degree** | [IMT Atlantique Nantes](#)
